EOI-CUM-RFQ: TRAINING ON COUNTER-DRONE & REMOTE PILOT SKILLS

1. The National Security Guard (NSG) Training Academy, Manesar invites Expression of Interest (EOI) cum Request for Quotation (RFQ) from DGCA-approved Remote Pilot Training Organisations (RPTOs) and authorised Agencies to conduct specialised training for 10 NSG personnel. The training is proposed for approximately 12 working days in June 2026 (or mutually agreed dates) and will preferably be held at NSG Manesar/ vendor premises may be considered subject to DGCA compliance.
2. The training scope includes DGCA-compliant Remote Pilot Certification (Small & Medium Class), counter-drone operations (detection, tracking, neutralization), and practical flying in varied scenarios (day/night, GPS-denied). It will also cover drone regulations (Drone Rule 2021), SOPs maintenance, payload integration, and RF analysis. The agency will issue Remote Pilot Certificates (RPCs, Course completion certificates, training material, and assessment reports.
3. Eligible agencies must hold valid DGCA RPTO certification; have compliant drones (with UIN), qualified instructors, and prior experience with Defence/ CAPF/ Police training. Security clearance is mandatory. Submission should include a technical proposal, all-inclusive financial quote (with GST), and supporting documents. Interested RPTOs are requested to submit their quotations to NSG Training, Academy, Manesar email ID lpigstc2017@gmail.com by 20 May 2026.
4. NSG reserves the right to accept/ reject any proposal. Selection will be based on technical evaluation followed by cost. Payment will be released after successful completion of training and submission of required deliverables, as per Government norms.
